**Catchphrase:** Give Tech Life, Give Someone Hope

**Product Mission:** Our mission at Resurtech is to revolutionize electronic waste management by extending the lifecycle of electronic devices through donation, repair, and redistribution. We aim to reduce environmental impact while bridging the digital divide, making technology accessible to underserved communities and empowering individuals with the tools they need for personal and professional growth.

**Product Vision:** Our vision is to create a sustainable future where electronic waste is minimized and technology is universally accessible. We envision a world where every individual, regardless of their financial situation, has access to essential technological tools. By fostering a culture of reuse and responsible recycling, Resurtech strives to lead the global movement towards environmental sustainability and digital equity.
